

IBM CLOUD SERVICES

TEAM ID: PNT2022TMID47389

TEAM MEMBER: JANANI T

The screenshot displays the IBM Cloud dashboard interface. At the top, the browser tab shows 'IBM-EPBL/IBM-Project-46133-16' and the URL 'cloud.ibm.com'. The dashboard header includes a search bar, 'Catalog', 'Manage', and 'JANANI T's Account'. A sidebar on the left lists various services: Dashboard, Resource list, Classic Infrastructure, Cloud Foundry, Code Engine, Functions, Kubernetes, OpenShift, Satellite, Security and Compliance, VMware, VPC Infrastructure, API Management, and App Development. The main content area features several cards for getting started with different services, including 'Set up your IBM Cloud account', 'Use Text to Speech', 'Build a Virtual Private Cloud (VPC)', 'Get Started with Watson Studio', and 'Create'. Each card includes a brief description and a 'Getting started' button. A 'JANANI T's Account' tooltip is visible over the 'Upgrade account' link. At the bottom, there are sections for 'Manage users', 'News' (highlighted in blue with the text 'IBM Tech Now: November 7, 2022'), and 'Planned maintenance'.
