The screenshot shows the OpenWeatherMap website's user profile settings page. The browser address bar displays 'https://home.openweathermap.org/home'. The page has a dark header with the OpenWeather logo and navigation links: Products, Pricing, Industries, Blog, Legal, Contact us, and Maha... A secondary navigation bar includes links for Billing plans, API keys, Payments, My profile (which is active), and Ask a question. On the left, a sidebar menu lists User settings (highlighted in orange), Privacy centre, and Invoice info. The main content area contains a 'Save' button and a section for updating user information. The 'User settings' section includes fields for Username (Mahalakshmi Balu), Email (balumahalashmi1977@gmail.com), and Full name (Mahalakshmi B). Below this is a 'Change Password' section with fields for Password and Confirm Password, and a 'Change Password' button. The footer of the page includes links for Product Collections, Terms & Conditions, and About us. The Windows taskbar at the bottom shows the time as 11:51 on 09-11-2022.
