The screenshot displays the IBM Watson IoT Platform dashboard. The main heading is "Browse Devices". Below the heading are two buttons: "All Devices" and "Diagnose". A descriptive text states: "This table shows a summary of all devices that have been added. It can be filtered, organized, and searched on using different criteria. To get started, you can add devices by using the Add Device button, or by using API." Below this text is a search bar labeled "Search by Device ID". To the right of the search bar is a "Device Simulator" toggle switch. A table with the following headers is shown: "Device ID", "Status", "Device Type", "Class ID", and "Date Added". The table is currently empty, and a message at the bottom says "You don't have any devices." The right-hand sidebar shows the user profile for "2897jj" with ID "2897jj" and "Bluemix Free" status. It also includes links for "Service Status", "Terms", "Privacy", "Support", and "Blog", along with a "Sign Out" button. The top navigation bar includes tabs for "Service Details - IBM Cloud", "IBM Watson IoT Platform", and "(35) WhatsApp". The bottom of the image shows a Windows taskbar with the search bar and several application icons.
