The screenshot shows the OpenWeatherMap website's user profile page. At the top, there's a navigation bar with links: New Products, Services, API keys, Billing plans, Payments, Block logs, My orders, My profile (active), and Ask a question. Below the navigation bar, there's a 'User settings' section with a sidebar containing 'User settings', 'Privacy centre', and 'Invoice info'. The main content area shows the user's profile information: Username (Muhli-21), Email (muhilarasi43@gmail.com), Full name (MUHILARASI N), Password, and Confirm Password. There are 'Save' and 'Change Password' buttons. A green notification box at the top says 'Profile was updated successfully'.
